Washington, DC

Join us as we continue to celebrate safety in the construction industry and provide a platform for meaningful networking with industry peers, union representatives, owners, and contractors. ZISA® is recognized nationwide as union construction and maintenance's premier award for industrial safety. It is a showcase for the best our industry has to offer, and reaffirms our commitment to sending our craft workers home safely each and every day.

Sponsorship Levels

All general sponsors receive logo placement on the ZISA website, in media appreciations, on signage, and in the Awards program and presentation. Verbal acknowledgment will be given during the awards presentation.
